

AH TRADING COMPANY PROFILE

OVERVIEW

- AH Trading is a versatile and dynamic trading company established in November 2023. With a mission to deliver high-quality products and exceptional customer service, the company operates across multiple industries including food & beverages, electronics, raw materials, plastics, hotel supplies, company supplies, lounges, and much more. We pride ourselves on providing businesses and organizations with the essential products and services they need to function smoothly and efficiently.
- The company was founded by Ali Hassan, a visionary entrepreneur with a passion for creating strong business relationships and delivering value to clients through reliable, fast, and high-quality products and services.

HISTORY

- AH Trading began its operations by catering to the needs of construction companies, particularly by providing essential supplies for their headquarters and day-to-day operations. Early on, we focused on food & beverages items such as tissues, water, soaps, milk, coffee, plastic cups, and utensils. Our ability to fulfill orders quickly, provide tailored solutions, and maintain stock availability helped us build a strong reputation in the construction sector.
- Since then, we have expanded our scope to include a wide range of industries, growing to meet the diverse needs of our clients, which now span various sectors including hospitality, manufacturing, and corporate enterprises.
